In order for your $500 non-refundable deposit reservation list fee to be accepted, please agree to the following terms:

1. I understand that clients choose in the order of the reservation list. The total cost for this puppy is $_____ pet price and $_____ for breeding rights. The $500 deposit will go towards final price.

2. I understand that the breeder reserves the right to first pick of litter for any reason.

3. If the litter is born and I decide I want to wait until next litter to purchase puppy, my deposit will transfer a total of two times. After that, I am not entitled to any refund but can place another deposit for the next litters to come.

4. I must let breeder know if I plan to transfer to the next litter at the 6 week mark (temperament testing), otherwise deposit is not refundable and I can not transfer.

5. If the dam does not get pregnant or there is an unfortunate loss of my selected puppy, or fails their veterinarian exam at 7 weeks (as a pet or breeding dog), I have a right to receive a full refund or choose to transfer it to the next litter.

6. I understand puppy selections are done at 6 weeks. I understand that once I receive the temperament testing results I will need to make a decision as soon as I receive them. If I do not make a selection within a reasonable time frame, I forfeit my place in line.

7. I agree to be responsible for all costs associated with picking up the puppy by 8 weeks. Puppy must be picked up by 8 weeks unless written agreement is made between buyer and breeder. Daily charges will be agreed upon for further boarding in that agreement. If I need to board puppy beyond the 8 week mark I must let breeder know by the 4th week mark.
